PATCO EXPORTS

About us

PATCO specializes in production of world class Textile Machinery & Replacement Spare Parts since 1956. Over the years we have built strong relationships with our valued customers worldwide based on the foundation of trust and integrity. Whether it is our manufacturing process or our after sales support, we are committed to deliver only the highest quality products and services to our customers.

Our Mission Statement

To retain our position as a Leading Indian Manufacturer and Exporter of Textile Machinery & Spares. To meet with aspirations of customers in global markets, achieved through on-time, zero defect supplies backed by responsive service, vendor partners and satisfied investors.

Our Vision

To bring High Quality, High Technology based products at affordable prices to the world of Textiles. We shall strive vigorously to delight our customers who are our very purpose, by pursuing excellence and innovation through committed team work. Hence, whenever you are seeking a purchase or solution for your Textile Machinery, do contact us and let us put our expertise and knowledge to work for you.
